Champion Mares leave Champion Sires –

Q) What do Sadler's Wells, Fairy King, Storm Bird, Kingmambo, Singspiel, Rahy, Private Account, Noble Bijou, Mellay, Never Bend, Fort Wood and Hussonet have in common?

A) They were or are top sires who are the products of Gr1-winning mares. Ekraar is set to follow this pattern.

“Ekraar was a very good looking, tough and sound horse who was a leading two year old and held his form at the top level over the next four seasons. He was a thorough professional in everything he did and if he passes on his toughness and consistency I am confident that he will make a very successful stallion.”
– **Angus Gold** (Shadwell's Racing Manager)

“Ekraar is a sound and durable horse and has a great temperament. He was my first Group winner and was possibly the best looking two year old that I have trained”

– **Marcus Tregoning** (trainer)

RED RANSOM

In 2003 The European Bloodstock News assessed all American stallions by their ability to sire ‘Superior’ performers in Europe, horses that register in the top 10 per cent of all runners. Red Ransom is clearly No.1

BY SUPERIOR HORSES		BY ELITE HORSES	
Red Ransom	40 %	Red Ransom	13 %
Rahy	35 %	Kingmambo	10 %
Seeking The Gold	31 %	Storm Cat	10 %
Storm Cat	30 %		
Theatrical	24 %	RED RANSOM's progeny excel at the very highest level, too - his ratio of ‘Elite’ horses (the best 1.5 per cent in Europe) to runners is also the best going.	
Kingmambo	23 %		
Gone West	22 %		

Hardly surprising that Darley have secured RED RANSOM to stand at Dalham Hall, their English base for 2004.
